ENHANCED SFCU WEBSITE COMING SOON!!

SFCU will be launching our updated and enhanced website on July 11th. The first time you sign on to Home Banking (CU-Connect) to access your Spencerport FCU accounts on or after July 11, 2011, you will need to create a new User Name and Password for accessing the system. You will no longer use your access number and 4-digit PIN number to sign on. This change is a necessary step in improving the security of our Home Banking service. One immediate enhancement that comes with this upgrade is a single sign on to access both your SFCU accounts and Bill Pay! We hope you'll find our new website more convenient and easier to use! It's also much more eye-appealing too!

We are grateful to member Kathy Eichorn for taking the beautiful photographs that will be on the new website!
