An Invitation....

SFCU Open House

You are cordially invited to the SFCU Main Office Open House on

Wednesday February 11th from 2pm-6pm

Celebrating the completion of our Addition/Renovation Project.

There will be snacks, beverages, prize drawings, tours, etc.

Building Project Updates...

As this newsletter is being written we are about 4-5 weeks from completion of the Addition and Renovations to our Main Office location. The new teller line is now open in the addition. The entire building is being sided. Gutters will be added. Renovations to the old section of the building are under way.

Once construction is complete and construction vehicles are out of the way, we hope to open our Drive Up Teller Window and Drive Up After Hours Depository!

A few things will need to wait until spring (Landscaping and top coat on drive way, to name 2) Keep watching our progress. Also, watch for signage directing you to the appropriate parking and entrance.

~Best wishes for a Healthy & Happy 2015 to you and your family~

EMERGENCY PREPAREDNESS CONTINGENCY PLAN

Each Year, SFCU tests our comprehensive emergency preparedness/contingency plan in case anything should happen at either of our branch locations. Should an emergency situation occur, making it impossible for BOTH offices to open, we have a "buddy banking" system available through our computer vendor and can set up at any other credit union using the same system with very little notice needed. There are several in the Rochester area. Should that type of situation ever occur, you would be notified as to where you can go to transact on your SFCU accounts by updated in the media, voice mail at either location, or updates on our website. Let's hope we never need to use it, but we are ready should the need arise.
