"Helping One Another"

The SFCU Annual Meeting was held on Tuesday June 9th at the Ferris Goodridge American Legion Post on Trimmer Rd. There were door prizes, gifts for kids, delicious food prepared by Barton Parkside Hots for dinner, and cupcakes for dessert.

During the business portion of the meeting, we went over the financial report, state of the credit union report, Phase 2 of our renovations, the supervisory committee report, and news of the closing of the BCS branch.

Board Member elections took place as well with Dave Moore and Carol Oehlbeck both being elected to 3year terms.

The 2015 SFCU William Farnsworth Memorial Scholarship was awarded to Meghan Kettinger. The 2015 Glenn Adams Scholarship was awarded to Gregory Dick.

Once again this year, our theme was "Helping One Another". Guest Speaker Joe Donohue spoke about Eagle Star Housing which assists homeless veterans and has its Monroe County Location in the Village of Spencerport. A monetary donation was given to the organization plus items collected by our members were delivered there as well.

Enterprise Car Sales rep, Mike Walcott, spoke to those present about the special deal we have going on 06/20/15-07/31/15. If you buy an Enterprise car and finance it with us, we can lower your loan rate from as low as 2.49% to as low as 1.49% See details on page 2 of this newsletter.

Phase 2 of our renovation project will begin shortly. You'll see grading and seeding, new landscaping, changes to the drive up area, paving of that area as well as our main parking lot and drive way, sidewalk repairs, painting, installation of additional exterior lighting and a flag pole and flag, and installation of required signage...and more.

While Phase 2 won't be as disruptive to members as last year's part of the project, please watch for instructions should you be required to park in a specific area while the improvements are taking place.

THANK YOU!

BCS Branch News

The Brockport Central Schools branch location of SFCU has closed effective June 30th. The BCS FCU merged into SFCU in 12/2005. Since that time, we maintained a small satellite branch on the grounds of the School District. Most recently it was open 2 days a week. With technology such as direct deposit, ATMs, Debit Cards, Online Banking, Internet Bill Pay,, we found that there was very little transaction volume at that location. Consequently, the Board of Directors made the decision to close that location. Members who opened their accounts at that office were notified in May and are still members of our Credit Union and can take advantage of all the benefits of membership as long as they remain members.

Lucy Nesbitt, Part time Member Service Representative at the BCS Office , will now be working at the Spencerport Office
