## EMERGENCY PREPAREDNESS CONTINGENCY PLAN

Each Year, SFCU tests our comprehensive emergency preparedness/contingency plan in case anything should happen. Should an emergency situation occur, making it impossible for us to open, we have a "buddy banking" system available through our computer vendor and can set up at any other credit union using the same system with very little notice needed. There are several in the Rochester area. Should that type of situation ever occur, you would be notified as to where you can go to transact on your SFCU accounts by updates in the media, voice mail, or updates on our website. Let's hope we never need to use it, but we are ready should the need arise.
