Interested in serving on the Spencerport Federal Credit Union Board of Directors?

Elections will take place at the SFCU Annual Meeting in June. The Board of Directors meets once a month for 1-2 hours. There may be additional meetings for various sub-committees of the Board from time to time. The Board of Directors directs the operations of the credit union including approving Policies and Expenditures, strategic planning, business planning and making sure we are operating in accordance with the National Credit Union Act and related guidelines. This year there are 2 terms expiring and we know that at one (possibly both) of the incumbents will not be running for another term. If you want more information about serving the credit union in this way, contact Nominating Committee Chairperson Linda Quinn at
